

Mobility opportunities for accredited Erasmus organisations in the field of youth

Accredited organisations have the possibility to apply for funding (grant request) for youth mobility activities in a simplified way. Applications are based on the previously approved accreditation activity plan, so a detailed list and description of the planned activities is not required. Instead, the applications focus on estimating the number of activities to be implemented and number of participants involved.

The mobility activities to be implemented under this Action must follow the rules and principles laid down for each activity type in the respective sections of this Guide.

Accredited organisations commit themselves to comply with the Erasmus Youth Quality standards and deliver high quality mobility activities in the field of youth.

Accredited Youth organisations are not eligible for funding under the standard Youth Exchanges and Mobility projects for youth workers. They can however take the role of partner in those projects. Exceptionally for 2021, organisations which were awarded the accreditation after the deadline for the grant request are eligible for funding under the 2nd deadline for standard Youth Exchanges and Mobility projects for youth workers.
